This may be replaced by compulsory 3rd party liability cover only at a cost of £14. All playing and practice ground members must be insured through the Club. Full details are available from the office.

All adult membership packages with the exception of juniors are subject to a bar levy of £30 per annum which gives each member a smartcard credited with £30 to spend at the bar only. Any part of the original £30 which remains unspent at the end of the year is debited from the card and treated as subscriptions, in accordance with the terms and conditions of the smartcard, which will be issued upon joining the Club. Any additional funds credited to the card by the member are carried forward into the next year. Members receive a 30% discount on drinks from the bar when using their smartcard.

New members must also pay a one off registration fee in the first year of £1.

Lady members must pay a £5 subscription to the LUGC per annum.

The subscriptions, bar levy, insurance etc, may be paid monthly by direct debit with the final monthly payment being due in September interest free.

Members with Silver, Bronze or University/College packages may play 18 hole rounds, 9 holes rounds or a combination of both. Number of rounds used will be monitored.
